Notes: All data weighted to reflect the national population ages 0-64 and covered by ESI. Data for 2015 and 2016 adjusted using actuarial completion. All per person dollars from allowed amounts. All figures rounded. Prescriptions not categorizable as brand or generic are not included in the table due to low dollar amounts.

Notes: All data weighted to reflect the national population ages 0-64 and covered by ESI. Data for 2015 and 2016 adjusted using actuarial completion. All dollars from allowed amounts. All figures rounded. Prescriptions not categorizable as brand or generic are not included in the table due to low dollar amounts.
